Praise From Our Patients and Families

During my stay at MCHHealth, I've had the pleasure of receiving the best care I've ever had in my life. **Tina Huff** has been very good to me. I've often come across people who didn't want to help me because I'm a paraplegic, but not Tina! Each day she came into my room with open arms and ready to help. When I was well enough to do things on my own, she stood back but always kept a close eye on me. I'd like to thank her for always smiling and keeping me comfortable. Please continue to do what God has led you to do!
